

How to make your own easy DIY **PAW-PRINT FRAME**

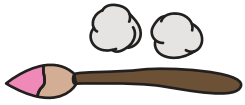

WHAT YOU'LL NEED

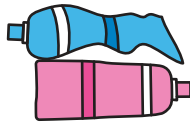

1x Doggo

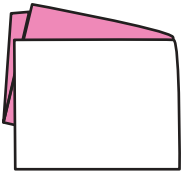

1x Picture Frame

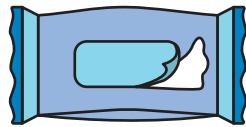

1x Paint Brush or Cotton
Ball for application

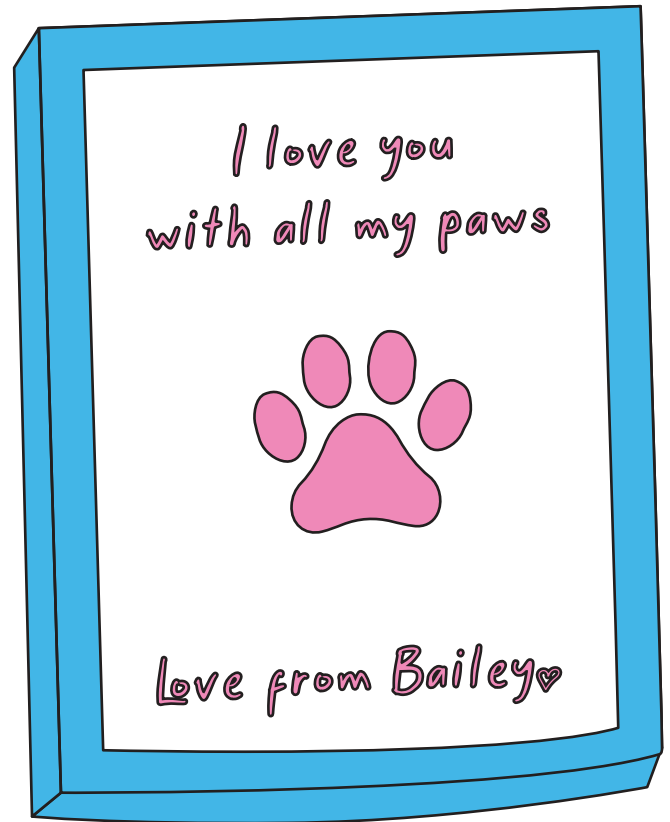

1x Pet Friendly Paint

1x Piece Paper
or Card

1x Pack of Wipes to
Gently Clean Paws

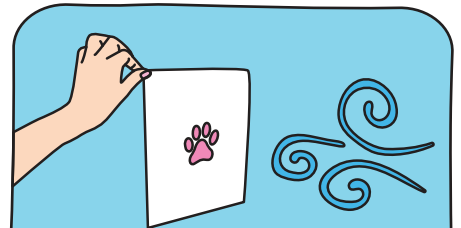

6 Easy Steps To Make This Thoughtful Gift

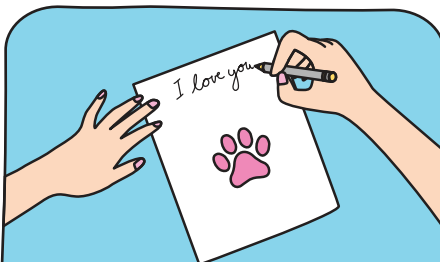

1. **Dab the paint** with the cotton ball or brush onto your **dog's paw**. This makes the print nice and tidy.

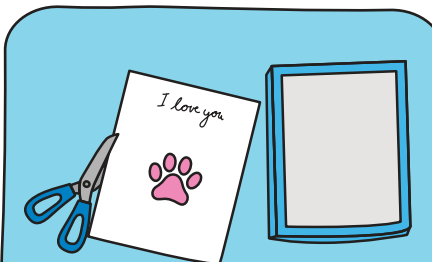

2. Gently **press your pet's paw on the paper** & keep it there for just a few seconds then carefully lift it away from the paper.

3. **Clean your dog's paw** gently with wipes. Allow the paw print to dry completely to avoid smudging.

4. **Add a message** using a marker or pen of your choice.

5. Cut your paper to fit your frame.

6. Give your dog a pat & a treat. **Your gift is now complete!**
